

COS4 – Application for general scope of practice (ex-provisional)

- To be completed by the doctor and supervisor once the doctor has completed the requirements while registered within a provisional general scope of practice.
- The completed form must be submitted through Council's online portal, [myMCNZ](https://myMCNZ.org.nz), with the relevant recertification form:
 - CPD7** – if participating in a vocational training programme and evidence of enrolment
 - CPD8** – if enrolling with inpractice recertification programme.

Note: At the time of application, we require up to date supervision reports to be provided through Council's online portal.

SECTION ONE – To be completed by applicant

Family name: Given names:

I apply for registration within a general scope of practice under section 21 of the Health Practitioners Competence Assurance Act 2003. I have satisfactorily completed the requirements of my provisional scope of practice.

Signed: Date: / /
day month year

SECTION TWO - Practice history in New Zealand – To be completed by applicant

Dates (day/month/year)	Area of medicine (eg. paediatrics)	Name of hospital/general practice

SECTION THREE – To be completed by supervisor

Supervisor's name: Registration number:.....
